Norway's Alps

We sailed along the beautiful (0) coast of northern Norway until we reached the town of Tromsø, over 300 kilometres inside the Arctic Circle. With its brightly-coloured wooden houses set against a (1) of snow-capped mountains, it was a remarkable sight.

In the afternoon, we travelled to the Lyngen Alps where the (2) scenery took my breath away. Given the remote location, our accommodation there was surprisingly (3) and the large meal of fresh fish we were served that evening was of an (4) high standard for such a small hotel. The next day, refreshed after a wonderful (5) sleep of nearly nine hours, I headed for the practice slope, where (6) cross-country skiers like myself had to learn how to climb uphill with skis on.

That far north towards the end of May, there was (7) daylight – and it was my (8) to go midnight skiing.

CELEBRITY RIVALRY

There have been a lot of celebrity sisters in the spotlight in the last few weeks. We thought we were seeing double when Monica Cruz showed **(1)** with Penelope at the Oscars. And at Nickelodeon's 20th Annual Kids' Choice Awards, Jamie Lynn Spears was looking very grown **(2)** and just like older sister Britney. It must be very odd for the more famous sisters to suddenly be sharing the limelight **(3)** flesh and blood. No matter how well you get **(4)**, when the 'other woman' on the red carpet is your sister the potential **(5)** rivalry is huge. Monica Cruz, for example, is launching a fashion line with Mango, a move which has undoubtedly been helped **(6)** her sister's fame. While Penelope seems happy **(7)** her sister's success, behind closed doors does it bother her that her sister is seemingly riding her coat-tails?
